Add Comfort and Warmth with AREA RUGS

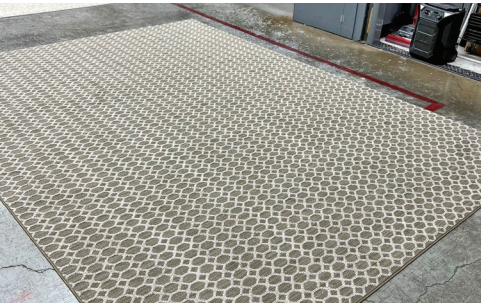

Today's homes have a significant amount of hard surface flooring. While this adds beauty and ease of cleaning, it misses the mark when it comes to comfort and warmth.

Area rugs create a warm, soft space while still allowing you to showcase your hard surface flooring.

Carpet Mart carries a large selection of bound rugs in stock and ready to go - in multiple sizes and patterns.

Members of the My CarpetMart Community get special pricing on IN STOCK area rugs! Browse our website to see our in-stock options or come into our showroom.
