

# Community Giving *Update*

Now *Collecting* for Louisville Families

- Winter Clothes
- Non-Perishable Food Items  
(canned goods, cereal, pasta, etc)

All items will be donated to Exodus Family Ministries, an organization that serves our neighbors in Southwest Louisville. They have a variety of ways that they help in our community. Two of these ways are via a Food Pantry & Clothes Closet. They not only provide food boxes two weekends a month to those who have mobility issues preventing them to access food, but they also have a food pantry where families can pick up food on an as needed basis. They also have a Clothes Closet where those in need can "shop" at no cost.
